# INVITATION

DEAR COLLEAGUES,

It gives us immense pleasure to invite you to the CARDIONEXT Conference, a focused academic meeting dedicated to the latest advances in Cardiology.

The conference will be held on 11th & 12th April 2026 at Hotel Royal Retreat, Udaipur, bringing together eminent faculty, experienced clinicians, and enthusiastic delegates from across the region.

The CARDIONEXT Conference is thoughtfully designed to provide:

- Evidence-based scientific deliberations
- Insightful clinical and case-based discussions
- Updates on current guidelines and real-world practice
- An excellent platform for professional interaction and networking

We are confident that the scientific program will be enriching, engaging, and highly relevant to daily cardiology practice.

We look forward to your gracious presence and active participation at CARDIONEXT Conference 2026.

Warm Regards,

**Dr. Ramesh Patel**
